## EXPERIENCE

**Measure, Inc.**  
Formed a new multi-disciplinary design firm with Chad Johnston, a nationally renowned designer and illustrator. I am Measure's Senior Art Director, lead all Interactive Design projects, and work on projects for many high-profile clients. (2009–PRESENT)

**On-Purpos**  
Art Director for an award-winning design firm in Des Moines, Iowa. Worked on a variety of print, identity, motion graphics, and environmental design projects, in addition to leading the firm's web and interactive projects. While at On-Purpos, I also presented at Iowa State University on issues of design, and served on the City of Ankeny, Iowa Technology Committee. (2007–2009)

**Freelance Web Design**  
More than six years of experience designing for the web, individually and as part of a team. Includes sites for university schools, publications, government, e-commerce, and individuals. (2000–PRESENT)

**Interactive Design: Technology and Process**  
Original course taught at Virginia Commonwealth University (FALL 2005)
